## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

One thing about this bunch of Pipers this year is that they don't let you get bored with a game. They win them but they keep you guessing until the very end. This seems to be especially true when they are picked as favorites.

We were quite disappointed in the Coleman school officials and some of the Coleman fans during and after the game here Friday. The tempers on the field flared near the end of the game, but while this is not good, we get much more disappointed in the actions of adults than we do the kids.

In fact, it is the usual case that the actions of the adults is what brings on the actions of the kids. When the coach roams from goal line to goal line giving the officials a hard time it is not too surprising that the boys on the field get out of hand.

We understand that this was not the first game that Coleman has played where tempers have flared on the field. Coleman has a fine looking team that should have a better record than they have for the season and this may be the reason. We have never seen a team that could fight and play football at the same time.

We hope that Hamlin fans will always remember just how bad it looks when fans let their tempers get the best of them. And also hope that our teams remember that they are out there to play football. Winning the fight, but losing the game makes for a very poor consolation prize.

There is not much doubt that Hamlin will be picked to win Friday night when they travel to Anson to play the Tigers but we hope that both fans and the team remember that we were picked to beat both Winters and Coleman and just barely got out with a victory.

With Hamlin and Haskell tied for the lead in district, both teams are faced with the situation where everyone else will be trying extra hard to knock off one or both of the leaders. When this situation occurs it usually means that past records mean very little. Anson could go a long way towards salvaging a pretty good season just by coming up with a victory over Hamlin.

Let's all go to Anson Friday and back our Pipers.

We just kind of ignored the Moratorium in this space last week because that is just about the way we felt about it. But since we are likely to have some more of it, we wish that there was some way to separate the sheep from the goats.

We wish that they would have a Moratorium one day for those that want peace at any price including sending all of our ships over there and loading them up as fast as possible. Then have one for those that want peace but want a meaningful peace that offers some hope for the people of Asia and also would mean that those Americans that have died in Vietnam have not died in vain.

We suspect that if you took everyone out of the last Moratorium that did not go for this idea of peace at any price as the leaders of the thing are demanding, then it would present a clearer picture to both our leaders and to the world, especially our enemies.

As for the politicians that became involved in Moratorium, we would like to find some way to separate them into two groups, the first being those who honestly oppose the war because they feel that the fighting is not bringing peace any closer to the world; and the second group would be all of those whose only desire is to stop spending money in Vietnam so that they can buy more votes here at home with their welfare schemes.

JAYCEE-ETTES GIVE \$200—Erma Wallace, school nurse, center, tells Mrs. Ewell Mackey, right, Hamlin Jaycee-ette president, and Mrs. S. L. Knox, left, chairman of the club's civic project committee, how money in a "special fund" is used to provide necessities for deserving school children. The Jaycee-ettes presented Mrs. Wallace with \$200 Tuesday.

### Jaycee-ettes Add \$200— School Nurse Uses Special Fund to Help Many Children

Erma Wallace, school nurse, has a very special fund at her disposal for use with children in the Hamlin Public Schools. She uses the money in this fund as she deems necessary and in the five years since its origination, has somehow managed to maintain a safe operating capital.

Mrs. Wallace, on Nov. 6, 1964, received a check for \$75 from the VFW Auxiliary and this started a series of donations that have continued to come in through the years. Many civic clubs have had a part in sustaining this fund. Most sizable contribution was the \$400 check given by the Hamlin Jaycees last fall following the club's Turkey Shoot project.

Just this week, on Tuesday, Mrs. Ewell Mackey, president of the Hamlin Jaycee-ettes, and Mrs. S. L. Knox, chairman of the civic affairs committee, presented Mrs. Wallace with a \$200 check from the Jaycee-ettes.

Mrs. Wallace's respected judgement decides the need for using this fund. Just some of the items provided have been glasses, repair of glasses, medical needs, shoes, clothing and material for making clothing.

With the money provided, Mrs. Wallace can get specialized medical attention for those unable to have it otherwise. Initial visits to specialists and subsequent referrals

to a charitable agency often provide necessary medical aid for the children in need.

Mrs. Wallace also maintains a used clothing room at the school and many children are outfitted more adequately for school from this supply.

During the five years that the fund has been in operation, Mrs. Wallace has never called for a bank statement. "This way," she said, "the record is all there, complete." She has never been questioned about her disbursement of the "special" fund. Through her contacts with the children she is aware of their needs and those deserving help are reached.

### Camp Fire Girls To Sell Light Bulbs

Camp Fire Girls will be selling light bulbs as a money raising project for the organization within two weeks, say the Camp Fire board members.

The bulbs, purchased through West Texas Utilities Co., will sell for \$2.05 per package.

### BRIDGE

Mrs. Dale Lain and Gene Knabel were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Other winners were Mrs. Holly Toler and Mrs. W. O. Wilbanks, second, and Mrs. Ray Sonnenburg and Dale Lain, third.

### Floyd Clifton Sells Interest In Local Bank

Floyd Clifton, president of the Farmers and Merchants National Bank, announced this week that he had sold his stock in the local bank to his brother, Leldon Clifton. Leldon is currently serving as Chairman of the Board.

Floyd said Tuesday that his plans for the future are still indefinite, but that he would stay in the banking business. Leldon said at the present time no other changes are being planned and that the board of directors would meet to fill existing vacancies and to name a new president.

The Cliftons purchased the local bank in 1960 from Tate May and Ted Russell.

During this period, Floyd has been active in local civic affairs and is a former member of the City Council.

Also selling his stock in the bank here was Ransom Galloway of Spur who was a director.

### Local Distribution Of Phone Books Now Underway

Bud McCasland, Southwestern Bell Telephone Company manager, has announced the distribution of new telephone directories now underway.

The distribution began Oct. 25. There are 2,130 directories mailed to customers. The books include 10 pages of alphabetical listings and 36 yellow pages.

## Pipers to Invade Tiger Den Friday

The Pied Pipers will be journeying to Anson Friday night to meet their arch rivals, the Tigers, in an important District 7-AA contest. The Pipers will be carrying their undefeated district mark into the game and the Tigers will be trying desperately for an upset.

The Pipers remain tied with the Haskell Indians for the district lead, following their 28-20 victory over Coleman last week. Haskell will be meeting Coleman this week after knocking off Ballinger last week, 35-21.

The Tigers last week were on the wrong end of a hard fought 21-8 contest with Stamford as their young team has shown a marked week to week improvement this season.

Local scouting reports indicate that the Tigers have the capabilities of putting all of their offense together and when they do they will play someone a real fine game.

Coach Joe Youngblood told the Piper Boosters Monday night that he was proud of the boys last week for the way they came from behind to beat Coleman. He said that it was a mark of a good team to win those games that they are not really up for.

Coach Youngblood said that he thought our boys were looking forward to this game this week and they should be ready for Anson.

With only five seniors on

their starting offensive team, the Tigers will be fielding a young team with good average size and speed. Their top running threat is their big half-back Eddie Linger who weighs about 190-pounds and is pretty fast and strong. He is capable of breaking loose and going all the way.

With senior quarterback Johnny Garcia throwing the ball, the Tigers depend mostly on their tight end Langerhans and their flanker McLaren as receivers. Langerhans is small but tough and McLaren is about 6'4" and a good receiver. Garcia is also a good runner.

### Workers Needed to Help With Work On Ex-Student Directories

Officers of the Hamlin Ex-student Association are requesting help in assembling the new directories. The 1969 edition of the ex-student directory has been printed and work started Tuesday afternoon in the high school cafeteria.

Mrs. Robert Fowler, president of the group, said help would be needed to get the directory completed this week.

She also announced plans completed for the coffee for the class of 1959 to be held in the home of Mr. and Mrs. Don Bailey. Co-hosts will be Mr. and Mrs. Herbert Lakey. The coffee will be Saturday, Nov. 8, 10 to 11 a.m.

Other classes who would like to hold class reunions should contact Mrs. Fowler. Tickets to the chili supper to be Friday, Nov. 7, in the high school cafeteria, will be sold at the door. Serving will be from 5 to 7:30 p.m.

The barbeque luncheon will be from 11 a.m. to 1 p.m. on Saturday, Nov. 8. The public is invited to attend.

Mrs. Fowler reports good

response to the parade. A good number of entries have been turned in. Anyone wishing to enter a float or other entry in the parade should contact Mrs. Ned Moore at the BCD office. Divisions include beauty and open. Delton Jackson will serve as parade marshal. Buford Bigham and C. L. White are parade chairmen.

Little Piper hats are due to arrive this week for the Little Piper Costumes.

### PICTURES NEEDED

Mrs. Jack Vaughan, chairman of the decoration committee, is asking for pictures to be used in two special displays during Homecoming Week. Needed are pictures of exes now serving in Vietnam, or those who have served.

Pictures of Vietnam participants should be taken to T & O Flowers. Anyone with information concerning these servicemen may contact Mrs. Vaughan.

The Memorial window will be at the Hamlin Herald. Mrs. Vaughan said. Pictures of deceased ex-students and teachers should be taken to the Herald Office this week.

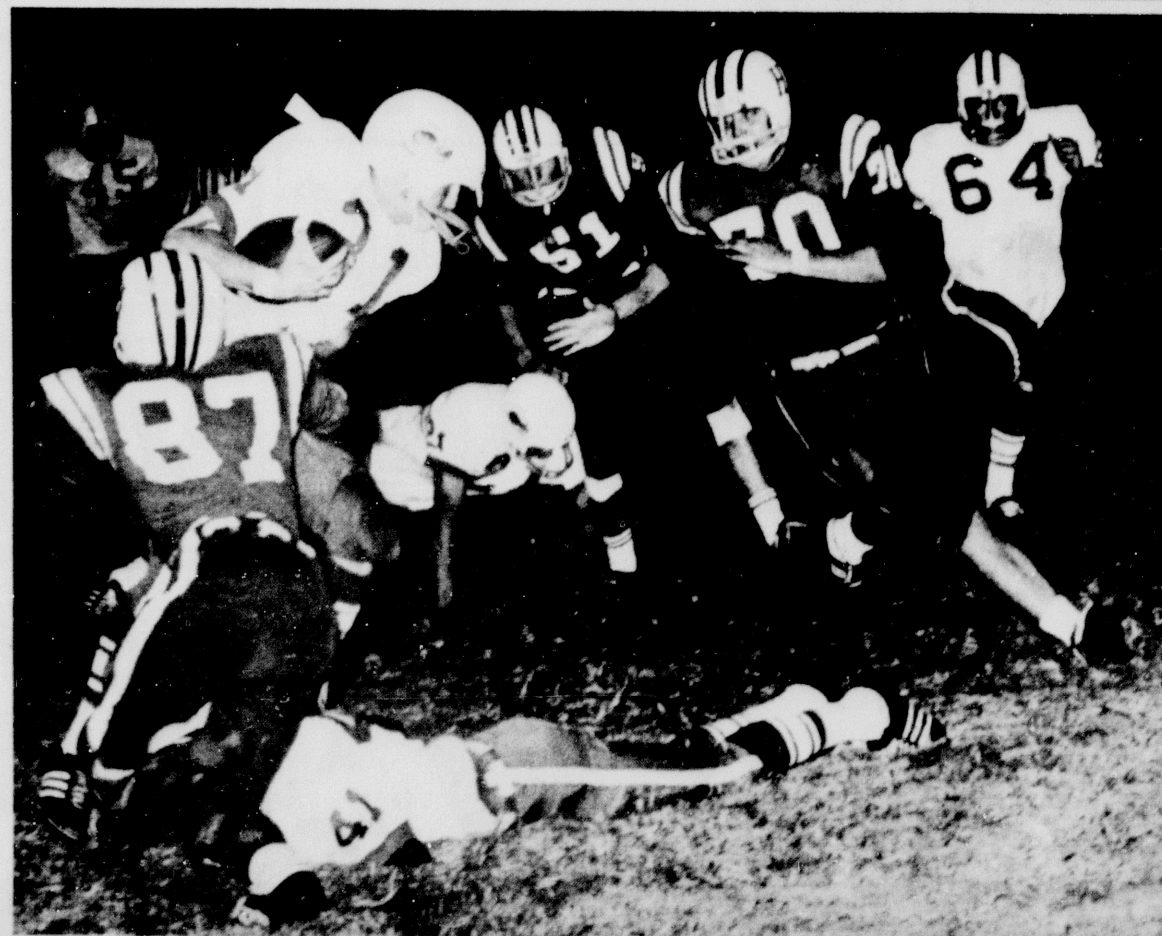

### Mayor Proclaims Nov. 1 for Halloween

INASMUCH as the citizens of Hamlin support their school and the football team and INASMUCH as the Pied Pipers go to Anson to tame the Anson Tigers with a good following of Hamlin Boosters and

INASMUCH as this date comes on Oct. 31, the usual day of Halloween set aside for numerous activities when witches must fly and goblins must play without interference and

INASMUCH as girls and boys must TRICK and TREAT and play with the goblins and

INASMUCH as parents and citizens have voiced approval, I, H. W. Madden, Mayor of the City of Hamlin, proclaim Halloween in Hamlin to be changed to Nov. 1, and do hereby ask that Halloween activities be the most enjoyable of all years on this day.

MAKES THE STOP—Steve Teichelman (87) stops Phil Chambers (31) with Gary Maberry (70) coming in to clinch the tackle. Also coming over to help out is Greg Perrin (51). (Photo by Tim Jones)

MOVES IN—Gary Smith (80) moves in to stop Coleman running back Sal Andrade as Charlie Sellers (60) comes up to help. (Photo by Tim Jones)

# Medicare Changes Coverage Requirements On Injections

The Hamlin Memorial Hospital has been advised by the Social Security Administration of changes in the coverage requirements on injections for Medicare.

A spokesman for the local doctors said: "The Social Security Administration has called to our attention the exclusions involved in processing all claims which include charges for injections. The four conditions below require immediate action."

These conditions are:

1. Injections Not Specifically Indicated — Vitamin B-12,

Chromagen, and Alpha Redi-sol will be allowed only for specific treatment for pernicious anemias, sprue, and anemias following removal of a large portion of stomach or small intestine. This is specific treatment for certain diseases.

2. Injection Not For a Particular Illness — The entire charge for vitamin injections given simply for the general good and welfare of the patient will be excluded or denied.

3. Injection Method Not Indicated — injection is not

considered an indicated method of administration according to accepted standards of medical practice for the condition for which given.

4. Excessive Injections — medication administered for treatment of a disease which exceeds the frequency or duration of injections indicated by accepted standards of medical practice as an appropriate level of care for that condition, unless there are extenuating circumstances which justify the need for additional injections. For example, where accepted standards of medical practice indicate that vitamin B-12 injections are indicated for pernicious anemia not more frequently than at certain intervals, the entire charge for injections given in excess of these intervals should be excluded. Another example would involve the situation where standard medical practice indicates the use of injection penicillin or other antibiotics

for the initiation of, but not for the entirety of, the course of treatment for an infectious disease. In such cases, the entire charge for those penicillin injections exceeding the initial standard dosage should be excluded unless there are special medical circumstances which justify additional injections.

The spokesman concluded, "In order to make accurate coverage determinations for injections, we have been advised that complete itemization is required. This itemization must include the name of the drug injected, the quantity, and where appropriate the strength. These requirements apply to the process of assigned claims filed by the physician and non-assigned claims filed by the beneficiary or physician."

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

# Texas Lions Clubs Donate Over \$6,000 to CARE During Past Year

The Lions Clubs of Texas have a long reach, and the good their members do extends far beyond the borders of their state. Today, the words "Texas" and "Lions" carry a special meaning to men, women and children burdened with a heritage of centuries of poverty.

By donating \$6,230 to CARE during the past year, Texas Lions have contributed to the welfare of many needy people around the world.

They provided aid to the needy sick of three continents through MEDICO, a service of CARE. In Hong Kong, they co-sponsored a school gardening competition aimed at increasing food production. They supplied materials to build three new schools in Honduras and also built and equipped a school in Guatemala.

Lions Clubs throughout the nation contributed \$147,666

to help support CARE projects in 23 countries. Farmers were provided with seeds and hand tools; school children were given school supplies; the tools of the trade were supplied to carpenters, masons, shoemakers, auto mechanics and other skilled craftsmen; midwives were equipped with modern, sanitary supplies to deliver healthy babies; seamstresses were given sewing machines.

In all, Lions built 81 schools last year and provided school desks for more than 1,600 children, installed water systems in four Central American villages, and an artesian well in the Philippines. Lions aided the blind of India, Pakistan and Ceylon by providing educational aids, Braille typewriters and duplicating machines.

HHS Homecoming, Nov. 7-8.

## 7A Officers

President of 7A homeroom is Cheryl Lewis. Other officers are Kimi Mehaffey, annual representative; Vickie Ponder, fire marshal; Gerry Young,

secretary; and Sylvia Marentes, reporter. Mrs. Donley Williams is teacher.

News deadline is noon Tuesday.

AT BEIRUT RECEPTION—Frank Bayouth, seated, fifth from right, and his brother, Hafiz (Henry) fourth from right, were reunited in Lebanon this month when Mr. Bayouth, Mrs. Bayouth, seated, right, and two children, standing, left, Dr. Ed Frank Bayouth of Lubbock, and Mrs. Sonnenburg, fourth from left. The Texas guests are shown here when they were entertained at a reception their first evening in Lebanon. Others in the picture are relatives who met the visitors at Beirut.

## Mrs. Sonnenburg, Family Visit With Relatives In Lebanon

Mrs. Ray Sonnenburg, her brother, Ed Frank Bayouth, M. D., of Lubbock and their father, Frank Bayouth, and Mrs. Bayouth of Abilene, formerly of Hamlin, made a trip to Mr. Bayouth's native land of Lebanon earlier this month.

Mr. Bayouth had not been back to Lebanon in 60 years. His children visited the country for the first time. Mr. Bayouth saw his brother, Hafiz (Henry) Bayouth again after 48 years and they met relatives for the first time.

Leaving Dallas Sept. 25 the group flew from New York to Paris, then to Rome before arriving at Beirut, Lebanon. They were met there by the brother, Hafiz, and a first cousin, Senator Assad Bayouth, and other relatives.

A reception planned by Hafiz's daughter was held in Beirut their first evening there.

The next day the Bayouth family went to the home of the uncle in Judeidet, Marjayoun. He still lives in the house where Mr. Bayouth was born. The two brothers are now the only remaining members of the family.

The visitors were shown the house where Mr. Bayouth's mother had lived, a three story majestic stone structure surrounded with verandas.

During their two-week stay there, Mrs. Sonnenburg noted that they saw the majority of historic and religious sites in the country which is 156 miles long and 31 miles wide. She said the most impressive things were the beautiful, well behaved children, the religious and historical sites, the beautiful mountains, the fresh fruit and the lovely flowers.

Houses are built in the mountains and the fertile land of the valleys is used for cultivation. Every inch of ground is used she said.

Highlights of the tour included the Roman ruins of Baalbek, Sour (Tyre), the city uncovered three years ago; Jbail (Byblos), the oldest continuously inhabited city in the world; Saida (Sidon) where Jesus preached; Damascus, Syria, oldest city in the world and the Cedars of Lebanon.

Enroute to the Cedars, they went through Becharri, the home town of Danny Thomas' father.

Mrs. Sonnenburg said that the people of Lebanon are a happy people, always bursting into song and usually singing while riding in a car. The Lebanese sense of hospitality is legendary. When a visitor arrives, the host puts on the coffee before answering the door. Rich pastries and delicacies are always offered. She said American visitors were treated royally.

## Pledges, Husbands Honored by Beta Theta Coffee Fri.

Beta Theta Chapter of Beta Sigma Phi honored pledges and their husbands with a coffee Friday evening in the home of Mr. and Mrs. Leldon Clifton.

Halloween decorations were used. Pledges are Mrs. Charles Hilburn, Mrs. Scotty Knox and Mrs. L. M. Peace.

The next meeting will be Nov. 5, a pledge ritual in the home of Mrs. Billy Joe Wilson.

## Mrs. Mac Reid Hosts B&PW Club Meeting Tuesday

The Business and Professional Women's club met Tuesday evening for a business meeting in the home of the president, Mrs. Mac Reid.

Members brought a covered dish and a cafeteria supper was enjoyed by all members.

Mrs. E. A. Hewett led in prayer after which a business meeting was conducted by the president.

Mrs. L. B. Maberry was welcomed in as a new member. Twelve other members were present.

The club will serve coffee and doughnuts to the ex-students on Saturday, Nov. 8 in the office of Turner Insurance Agency, Mrs. Earl Brown is chairman.

## Judy Jenkins One 37 Tech Students In Who's Who

Judy Jenkins, daughter of Mr. and Mrs. E. N. Jenkins and a senior at Texas Tech University, is one of the 37 students selected from the 19,490 enrolled to be named in the 1969-70 edition of Who's Who among Students in American Universities and Colleges.

The annual directory of distinguished students at colleges and universities throughout the United States and several other Western Hemisphere nations accepts nominations from the juniors, seniors and graduate students enrolled in four-year undergraduate institutions or graduate schools.

Selection is made on a basis of academic standing, service to the community, leadership in extracurricular activities and future potential.

## Junior High Boys Start 4-H Club

The Hamlin Jr. High School 4-H Club Boys were organized here this week. County Agent Kirby Clayton met with the group and explained the 4-H Club program. Officers and adult leaders were elected for the new year.

The following officers were elected: president - Steve McKissack, vice president - Danny Hix, council delegate - Scott Feagan, secretary - Brit Bishop, adult leaders - Mr. and Mrs. Ben Turner.

The club will meet once a month and have educational demonstrations relating to their project work.

NEWS FROM . . .

# Sylvester

By MRS R M BABB

Started raining Sunday night about eleven o'clock and by seven Monday morning had .96 in. of rain and the wind is just plain Cold!

Mr. and Mrs. Woodrow Lawlis drove to Coleman and visited with his youngest brother, Otho Roy Lawlis, Sunday.

Mr. and Mrs. Charles Scott attended the homecoming at Plains over the weekend.

Mr. and Mrs. Buford Brown spent several days with their son and family, the Billy Browns in Harlingen, Texas.

Mrs. Clara Montgomery is spending some time with her daughter, Johnnie Ruth Sharp, in Abilene.

We were all sorry to learn of the death of Derwood Kiser of Slaton this past week. He grew up in Sylvester. Mr. and Mrs. Roy Kiser, Cecil Kiser of our town and Freddie Kiser of Sweetwater attended the funeral in Slaton. Derwood was the son of Mae Kiser and the late Cletus Kiser.

Funeral for Mrs. Ira Haile of Sylvester was held last Sunday in Sweetwater. The family has only lived here for about a year in the Robinson home.

Mr. and Mrs. Buford Brown, Mr. and Mrs. Woodrow Lawlis, Bro. and Mrs. Bill Petty attended the Annual Association meeting in Longworth last Tuesday afternoon and evening.

I am sorry, last week I told you about Mr. W. L. Kelly having a birthday. What I didn't know was that Mrs. Kelly was celebrating her birthday also. We wish her a Happy Birthday!

Mrs. Myrtle Edwards of Hamlin spent Saturday night and Sunday in the R. M. Babb home.

Mrs. Butch Scott's mother, Mrs. Bockman from La Porte is visiting with them.

A kind word for our people here: One afternoon last week, a man in a pickup pulling a trailer loaded with hogs, turned over scattering hogs everywhere, some of our people went out and helped him to get everything back on the tires. He came through town and commented that we had the nicest bunch of people here he had ever seen. Woodrow Lawlis attended

the committee meeting in Stamford last Thursday morning. The committee is looking for a man to be recommended to the Double Mountain Area as Area Missionary.

Arther Lewis Maberry of Stephenville visited with us at the Baptist Church Sunday morning.

Mrs. Grace Brewer of Abilene spent a few days in her home here.

A belated Happy Birthday to Mrs. Ezell Whitten of Hamlin. Her birthday was Oct. 26.

Mr. and Mrs. Arch Griffin have returned from an extended visit in Oklahoma City, Okla.

## Annual County 4-H Achievement Banquet Set Mon.

The Annual Jones County 4-H Achievement Banquet will be held in the 66 Sirlain Cafe in Anson at 7:00 p.m. on Monday night, Nov. 3 according to an announcement this week by County Extension Agents Mary Y. Newberry and Kirby Clayton. The banquet is being sponsored by the banks of Anson, Hamlin and Stamford.

Hershell McDonald, former 4-H Club member from Hawley, will be the speaker. Awards will be given to 25-30 outstanding club members from over the county. All awards are being based upon the club member's project record of his or her activities for the past year.

## Son-In-Law Gets Service Medal

OMAHA, Neb. — U. S. Air Force Master Sergeant Larry C. Lyle, son of Clayton H. Lyle, 11941 Nevada St., Lynnwood, Calif., has been decorated with the U. S. Joint Service Commendation Medal at Offutt AFB, Neb.

The sergeant has served in Vietnam and is a graduate of Glendale (Calif.) High School. His wife, Addie, is the daughter of Mr. and Mrs. Glenn M. Bond, 614 Northwest Avenue D, Hamlin, Texas.

Classified deadline is 8:30 a.m. Wednesday.

## Neinda Philosopher Not Interested In Space Station Giving 100% Correct Forecast

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a jaundiced view of the latest plans of the space scientists this week.

Dear editor:

I was studying the weather out here on this Johnson grass farm yesterday trying to decide what my next farming operation would be. I'd already listened to the forecast but you can't go on that — weathermen are like sports writers who predict the outcome of the weekend football games, what they have to say is interesting but don't bet on it — and decided the weather was so unpredictable it'd be foolish to start anything, so I pulled out a newspaper and read awhile.

An article that caught my eye said the U. S. is considering building a space station, big enough to hold 15 or 20 men who'd live on it and circle the earth every couple of hours and among other things give an accurate, world-wide weather report every day, one so dependable it'd take most of the guess-work out of forecasting.

Since farmers particularly would benefit by this, it was suggested they'd pay part of the cost of launching and maintaining the space station. I don't know about other farmers, but I would like to state that I do not wish to participate in this program.

Oh, I can count backwards all right from 10 to zero and anybody who can start the 23-year-old tractor I use out here shouldn't have any trouble lighting the fuse under a rocket, but it's the information on the weather I don't care for.

I don't believe I'd want to know without fail this morning what the weather is going to be like tomorrow, morning, day in and day out. All it does is lead to work. What man, if he knows positively it's going to rain tomorrow, would cut hay today? On the other hand, if he has hay to cut and knows it's going to be clear tomorrow, how could he fish comfortable today?

If those scientists are banking on any financial help from me in launching their

space station, they'd better revise their plans.

It's sometimes inconvenient not to know what the weather will be tomorrow, but it can be even more inconvenient to know. How can you be optimistic if you always know what's going to turn up next?

Yours faithfully,  
J. A.

## Elementary Boys Organize 4-H Club

The Hamlin Elementary School 4-H Club Boys were organized here this week with 29 members signing up for the new year. County Extension Agent Kirby Clayton met with the group and explained the purpose of the 4-H program and gave requirements for 4-H members.

The following officers were elected for the new year: president - Phil George, vice president - LeRoy Gordon, secretary - Kevin George, council delegate - Ronald Crouch, song leader - David Brown, adult leaders - Mr. and Mrs. Callen George.

The 4-H Clubs meet once a

month to hear and help conduct educational type demonstrations relating to their project work.

## Sen. Ratliff Named On Senate Interim Study Committee

Lt. Governor Ben Barnes today announced the appointment of five Senators to the Senate Interim Vocational-Technical Education Study Committee.

Named by Barnes were Senators Chet Brooks of Pasadena; Jim Bates of Edinburg; Mike McKool of Dallas; David Ratliff of Stamford; and Murray Watson of Mart. Brooks was named chairman of the Committee by Lt. Governor Barnes.

Authorized by Senate Resolution Number 317, the group will review the overall problems of vocational-technical education, placing emphasis on (1) recruiting training, and certifying of teachers of vocational-technical education; (2) study the administration of current programs.

(3) Study the level and format of state, local and federal funding, pointing to problems of districts with large numbers of disadvantaged or non-college-bound

students; (4) plans to improve the adequacy of present and proposed programs.

Barnes directed the Committee to present recommendations to members of the 62nd Legislature meeting in January, 1971.

HAD A PARTY? That's news, call the HERALD.

HHS Homecoming, Nov. 7-8.

one and a half  
BILLION  
dollars for appliances?

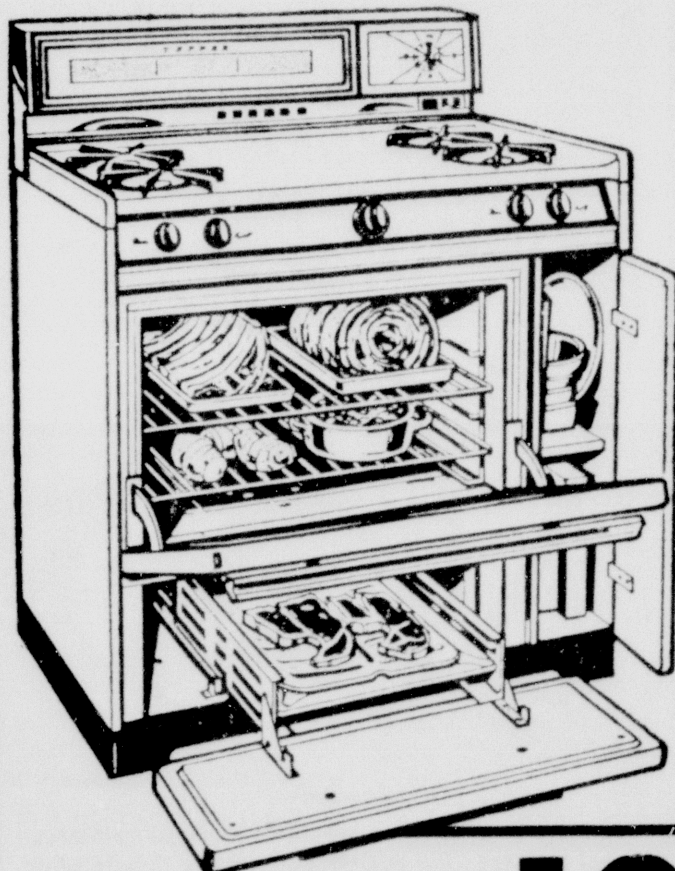

You heard correctly sir. That is the amount of money spent nationally last year by electric cooperative members on electric appliances and equipment. They bought \$80 million dollars worth of electric ranges, \$216 million in electric refrigerators and freezers, and \$112 million in automatic washers. Oh yes, and a quarter billion dollars worth of TV sets.

Main Street merchants discovered that the rural electric members represented higher percentages of ownership of most appliances than their city cousins. . . more all electric kitchens. . . more Gold Medallion Homes.

It's just another way the Midwest Electric Cooperative is helping Texas and the Nation Grow.

## Card of Thanks A-I Automobiles

**CARD OF THANKS**  
We want to thank all the nurses that made our beloved husband, son, and brother comfortable while he was ill in the hospital. Zelma says thanks for all the kind things you did for her. Thanks to all the doctors. May God bless each of you is our prayer.

Mrs. Cleo Perryman,  
Mrs. J. W. Perryman  
Mr. and Mrs. Edell Perryman and Ida  
Sue Perryman

**CARD OF THANKS**  
We can't express in words the thanks we feel in our hearts for all the kind and thoughtful things you did the five months our beloved husband, son, and brother was ill. May God bless each one that brought food, sent cards, and all the visits, and especially the prayers strengthened us while we were home. Especially the visits of Bro. Max Brown Bro Marshall Stewart, and Robert E. Bowen made, lifted us up to glory. May God bless each one that prepared the food, and the floral offering was most beautiful, at the passing of our loved one. Thanks to the pallbearers and the Honorary pallbearers. May you have the strength when sorrow comes your way, as you have given us is our prayer. May God bless you always.

Mrs. Cleo Perryman  
Mrs. J. W. Perryman

## Assault With Intent To Murder Charge Filed In Anson

Joe A. Martinez, 19, of Immokalee, Fla., was charged with assault with intent to murder in 104th District Court in Anson Monday. The complaint was filed before Justice of the Peace George Harrell. Bond was set at \$2,000 by County Judge Leon Thurman.

The charges resulted from a Saturday night knife attack on Anthony Darryl McGhee, 17, of Rochester in the Rogue Theater in Hamlin, says Hamlin Police Chief Bryan Wasson.

Martinez also faces misdemeanor charges assault and battery in Hamlin Corporation Court in a separate incident involving David Muhle, 16, also of Rochester.

## Nazarene Church To Host Special Service Friday

A special service will be held at 7 p.m. Friday in the Church of the Nazarene as part of the home mission zone tour now underway in Nazarene churches.

Speaker will be Tom Hermon, District Superintendent of the South Arkansas District of the Church of the Nazarene.

Dr. Lyle Eckley of Lubbock, West Texas District Superintendent, will preside.

Towns to be represented are Snyder, Abilene, Sweetwater, Buffalo Gap, Rotan and Hamlin.

Rev. Marshall Stewart is pastor.

Mr. and Mrs. Sylvester Anthony Moreno of Stamford are parents of a girl, Yolanda Marie born Oct. 25 at 4:22 a.m. She weighed 7 lbs. 3 oz.

Mr. and Mrs. Abelardo Montoya are parents of a boy, Jose Mario, born Oct. 25 at 6:50 a.m. He weighed 7 lbs.

## Fort Griffin Fandangle Making Plans for Show Next Summer

The Fort Griffin Fandangle Association Board of Directors announces that the 1970 Fandangle will be held in Albany June 18, 19, 20, 25, 26, and 27. The parade will be Thursday, June 25.

Board President Watt Matthews states that the directors and writers of the 1970 Fandangle are James Ball and Ernest Sublett and that plans are underway for the full scale production in the Prairie Theater.

James Ball is composer of many Fandangle songs and a long time working associate of the late Dr. Robert Nail. Ernest Sublett of Abilene is a well known, prize-winning director and was a close friend of Dr. Nail. Sublett was Art Director of the 1957 Fandangle and is familiar with all aspects of the show.

The Fandangle, with a cast of 300, is written and directed

lighted and costumed, sung and danced by Albany people. The production is said to be the only community theatre of its kind in the United States. Starting as a high school senior play in 1938, it has grown to be a giant spectacle in an amphitheatre accommodating 1600 people.

Robert Nail, beloved creator, director, and producer of the Fandangle died in November of 1968. Through more than thirty years of Fandangle history, there have been times when its future seemed in doubt, but in true pioneer spirit of West Texas, the show will go on in June, 1970!

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

Classified deadline is 8:30 a.m. Wednesday.

# Pipers Come Back to Down Coleman, 28-20

The Pied Pipers came from behind here Friday night in the final quarter to save their unblemished district record with a 28-20 win over the Coleman Bluecats. The two big plays were a blocked Coleman kick and the successful point after kick by Duane Stewart.

The kick gave the Pipers a one-point lead with five minutes left in the contest. They went on to score the clincher in the final seconds of the game.

They had the crowd on their feet with the first play from scrimmage as Tailback Robert Bolden raced 68 yards to pay dirt only to have the play moved back to the Coleman 24 where it was ruled Bolden had stepped out of bounds. A five-yard penalty against the Pipers killed this scoring effort and a lost fumble on the Coleman 28 killed the next Piper threat.

Another penalty hurt the Pipers on their third possession with Coleman taking over on their own 37. The Bluecats fumbled on the next play with Hamlin recovering on the Coleman 38.

It just took Bolden one play to make it in to score as he hit into the line and then cut back to his right and raced into the end zone. Stewart kicked the first of four points after.

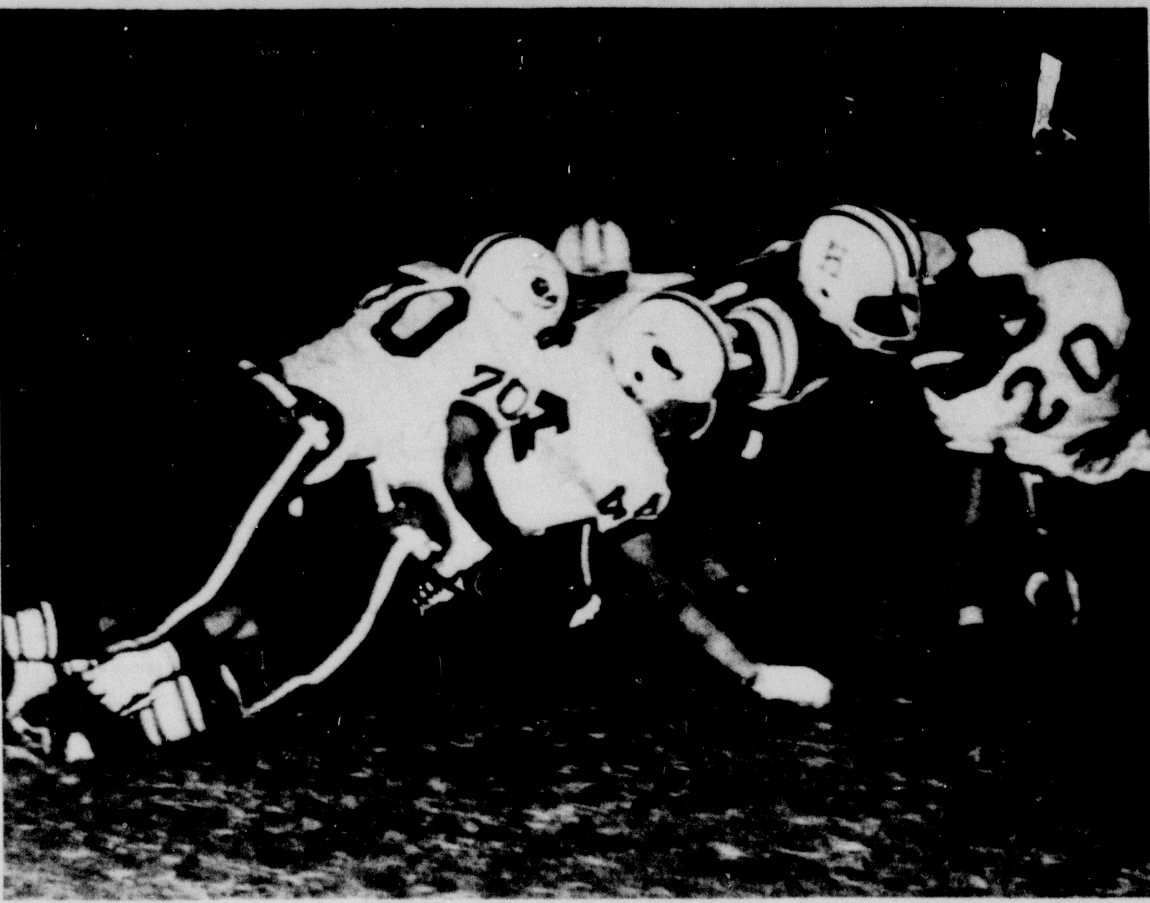

Coleman lost the football on

STORY IN FIGURES	
Hamlin	Coleman
18 First Downs	13
233 Rushing ydg.	162

2 Fumbles lost	2
Hamlin 7 7 0 14 28	
Coleman 0 14 0 6 20	

the kickoff with Hamlin taking over on the Coleman 31. A 15-yard penalty against Coleman gave the Pipers possession on the 15. Quarterback Charlie Shira was dropped for a yard loss and then Bolden ripped off 14 to the two yard line and a first down. It took Bolden four tries to make it in to score, with Stewart adding his point.

Coleman bounced back and drove 69 yards in seven plays to score with the scoring play being a 32-yard pass play from Quarterback Tommy White to Phil Chambers for 32 yards and a score. Joe Boatwright kicked the point after to make the score 14-7.

The Pipers failed to gain a first down after the kickoff and punted with Coleman taking over on their own 31. It just took the Bluecats seven plays again to score with the big play being a pass from White to Freddie Kendrick

**DRAGS 'EM ALONG**—Robert Bolden goes for that extra yardage Friday night as he drags several Coleman tacklers along with him. (Photo by Tim Jones)

good for 50 yards and a first down on the Hamlin 2-yard line. Sal Andrade carried in for the score and Boatwright kicked the point after to tie the game 14-14.

The two teams went into half-time with the score tied this way.

The Pipers moved to the Coleman 18 on their first possession after the kickoff before giving up the ball and Coleman came back up the field to the Hamlin 14. Coleman tried a field goal on fourth down that failed.

After an exchange of punts the Bluecats took over the ball on the Hamlin 33 and moved in to score with White carrying it in from the one. Hamlin was offside in an effort to rush the kicker and the ball was moved inside the two and then Boatwright's kick was low and was blocked in the line. This put the Bluecats out in front, 20-14.

Bolden took the kickoff at his five-yard line and raced up to the Hamlin 32 before being stopped. A Coleman player hit late and the officials moved the ball to the 48. Bolden carried for one yard and then Hamlin suffered a five-yard penalty. Shira connected with a 16-yard pass to Stewart that was good for a first down at the 22. Tailback Spencer Ford carried twice for gains of four yards each and Bolden swept his right end for 14-

yards and the tying score. Stewart kicked the go-ahead point.

Coleman took to the air following the kickoff in an effort to start another drive only to have Stewart pick off one and return it to the Coleman 40.

In an effort to move the ball and run out the clock at the same time, Shira picked up 9 yards in three carries and Bolden gained a first down at the 21. Ford and Shira moved the ball to the 22 and then Coleman was penalized back to their 12. Ford carried for

## Hamlin High Happenings

# Piper Patter

by Thomas Goolsby  
Toni Casey  
Mary Wallace

The Pipers really "brushed" the Coleman Bluecats with a 28-20 score Friday night. This win put them 4-0 in district play. Tomorrow night we go to Anson to "trample" the Tigers.

Members of the Freshmen Class float committee met two days last week. The theme to be used for the homecoming float was discussed at both meetings.

The National Honor Society met in Mrs. Scott's room Thursday morning to plan the procedures for this year's induction. The induction was held this Wednesday.

The FFA Citrus Sale is being held by its members to raise funds. Three-fourths of a bushel of oranges or grapefruit may be bought for \$5.00 from any FFA member. Please support your local chapter and buy some fruit.

The fruit will be tree ripened. It will be delivered to Hamlin within three days after it is harvested. FFA members will then deliver the fruit to persons purchasing it.

Only the amount of fruit ordered by December 1, 1969, will be received by the chapter. Persons interested in purchasing fruits will have until this deadline to do so. The fruit may be bought from any FFA member.

Proceeds from the sale will be used to finance chapter activities for the coming year.

A meeting was held by the Juniors last week. The class voted that each member would bring 50¢ for the homecoming float.

A Tupperware sale is being held by the Homemaking Department of H. H. S. The sale will extend to October 31 and money earned from it will be used to purchase new equipment for the Homemaking labs. Contact any Homemaking student if you wish to buy merchandise.

Mr. Milburn Wink, Vocational Agriculture teacher, and Mr. Jerry Hamrick, superintendent of the Anson schools, State Teachers Association were present at the Texas State Convention held in San Antonio last Thursday, Friday and Saturday. They were the two voting delegates from Jones county.

Members of the Hamlin Student Council were present at the 19th Annual Oilbelt District Meeting held at Mann Junior High School in Abilene Saturday. The theme of the meeting was "Let it begin with me."

Special guest speaker was Dr. Porter J. Crow of McMurry College. Peggy Jones, Jeanie Ferguson, C. A. Jenkins and Charlie Sellers led a discussion group.

## EAGLES SPEAK

Last week the Junior High ballgame with Highland was called off because of rain. But the game has been re-scheduled for Nov. 20. This week Junior High will play Ira at McCaulley.

Our high school team is really ready for the game this week, since last week was an open date. This week we play Highland. This is our first conference game and it will start at 7:30.

The Halloween carnival turned out real well. The High School King and Queen runners up are: Johnny Joe Dela Santos and Vickie Smart, King and Queen representing Sophomore class, Betty Williams and Andrew Cox, representing the Senior class Margaret Current and Teddy Current, representing the Junior class, Suzanne Cook and James Griffin, representing the Freshman class. The Junior High King and Queen was Aida Guerra and Philip Cleveland representing the eighth grade class. The runners-up were Tiny Smart and James Spalding representing the fourth grade, Winnie Hooper and David Willis representing the sixth grade Vicky Williams and Alton Hawthorne representing the fifth grade. The Elementary King and Queen was Jonell Coleman and Tracy Dwell. The runners-up were Carla Young and Kenneth Smart representing the third grade, Kathy Pimpire and James Jeffrey representing the second grade. Mary Garcia and Roy Guerra representing the first grade. The ring bearers were Darrin Jeffrey, Cynthia Williams and Tod Jeffrey. The confetti throwers were Rickey Guerra and Wandell Williams. They represented the pre-school class.

## Local Teachers Attend Workshop In Abilene Sat.

Mrs. Tobye Weaver, Mrs. Tim Jones, and Mrs. I. J. Starr were among 150 teachers and aides from Region 14 who who attended a workshop in Abilene Saturday.

Dr. Walter B. Barbe, editor of the magazine "Highlights for Children," professor at the University of Pittsburg and noted author, conducted the workshop on the techniques of teaching children with special learning disabilities.

from four yards out. Stewart's kick was good to give the Pipers an eight point lead with less than five seconds left on the clock.

Temper flared on the final few plays of the game with several boys being evicted on the point after play. Hamlin was penalized 15 yards on the kickoff and kicked the ball low with the clock running out before another play could be called.
